Application 08/809,620

Subject What is the legal status of a Notice of Abandonment
allegedly mailed, but not received ?

This Notice is allegedly mailed on September 14, 2009, under Public
PAIR, but not still received today.

It seems to me that only the true signature of the Examiner validates an
Office Action, and so, a Notice of Abandonment.

At this time ago, the USPTO used a foreign mail carrier who had a P.O.
Box in Auckland, New Zealand, and the mail was very uncertain.

Perhaps this Notice is lost, or perhaps, this Notice has never been
mailed.

Thank you.
